

The road to Casa Le Magnolie

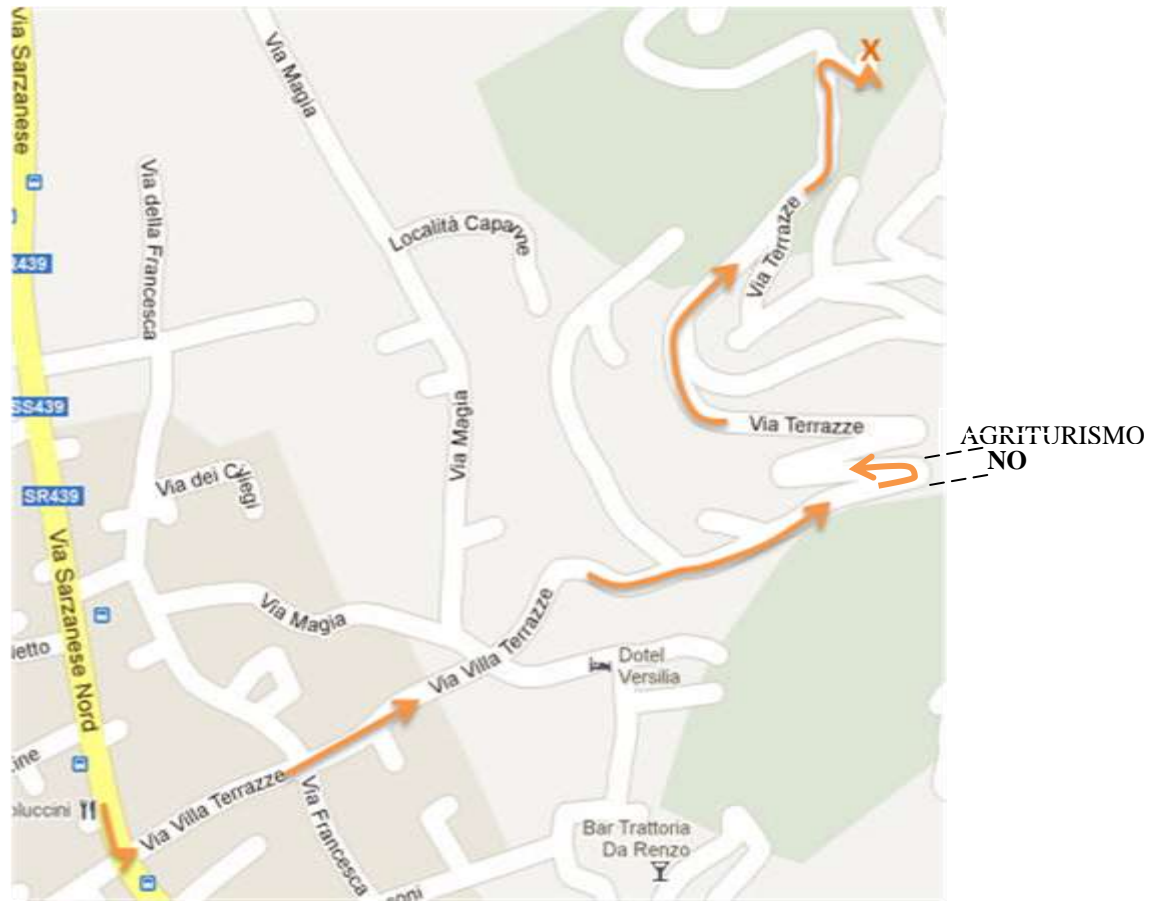

You can find the location on google maps: <http://maps.google.com>
Searching: Via Villa Terrazze, Massarosa, LU (Tuscany), Italy
GPS coordinates: (43.91698477185268, 10.280928611755371)

Le Magnolie is on a private road that has no street numbers. For this reason it's best to use the GPS coordinates or to follow the directions below:

1. First reach the following address:
Via Sarzanese nord 7972, Piano di Mommio, Lucca, Italy
2. At that address you should recognize the street in the photo below:

You are already close now. Follow the map below and the visual help of the photos below to reach Le Magnolie.

Opposite the bar, on your left side, you will see a small street as in the photo below. This is “via di Fondineto”

Turn on this road (photo above) and follow it going towards the hills.

Along this road you will find a couple of intersections.

Keep following this road going **straight towards the hills**.

Finally you will see an iron gate in front of you. Depending on the time of the day you will find it open

Or closed (maybe after 6pm)

This gate separates the public road from the road belonging to the villas that share the property of the hill.

If the gate is closed

Get out of your car and walk to the right side of the gate. There you will find a control with 9 buttons (see photo)

The code is: 1238*

No “enter” button is necessary. Few seconds after you’ve dialed the code the gate should start opening.

If you are afraid of having made a mistake punching in the numbers, you can reset the control by pressing the bottom right button and dialing again the code. The gate will automatically close behind you.

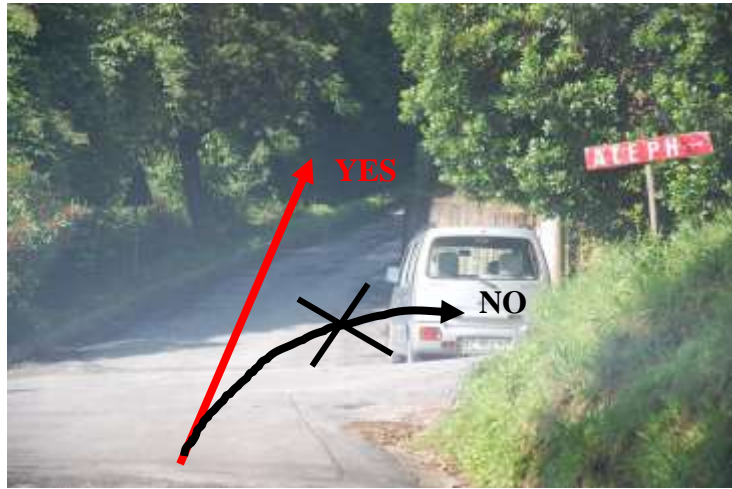

After the gate the road starts sloping up the hill. Do **NOT** follow the direction “Agriturismo Montero”. You will find 3 U-turns climbing up (always follow the main road).

Shortly after the 3rd U-turn you will find another turn (see photo).

Do not turn right, follow the road going straight.

Shortly after you will have another opportunity to turn, but you will keep going straight (see photo)

You are almost there now. Continue going up the hill for 50 meters, but start slowing down. You will finally see this...

And on your right...

And if you look more closely....

You have arrived!

Welcome to Casa Le Magnolie!!

Feel free to bring your car up our private road and park by the house.
